## 1. Privacy Statement: How we use Cookies

Cookies are very small text files that are stored on your computer when you visit some websites.

We use cookies to help identify your computer so we can tailor your user experience, track shopping or sample basket contents and remember where you are in the order process.

You can disable any cookies already stored on your computer, but these may stop our website from functioning properly. If you wish to delete any cookies that are already on your computer, the “help” section in your browser should provide instructions on how to locate the file or directory that stores cookies. Further information about cookies can be found at [www.aboutcookies.org](http://www.aboutcookies.org).

**The following is strictly necessary in the operation of our website.**

This Website Will:

- Remember what is in your shopping or sample basket
- Remember where you are in the order process
- Remember that you are logged in and that your session is secure. You may need to be logged in to complete an order.

The following are not Strictly Necessary, but are required to provide you with the best user experience and also to tell us which pages you find most interesting (anonymously).

### **Functional Cookies**

This Website Will:

- Track the pages you visits via Google Analytics

## **Targeting Cookies**

This Website Will:

- Allow you to share pages with social networks such as Facebook

**This website will not**

- Share any personal information with third parties unless we have your permission or are required by law to do so.

## **2. Our commitment to data security**

To prevent unauthorized access, maintain data accuracy, and ensure the correct use of information, we have put in place appropriate physical, electronic, and managerial procedures to safeguard and secure the information we collect online.
